RE: TO WHOM IT MAY CONCERN

India ITME Society are set to host the ITME Africa exhibition from 30th November to 2nd December 2023 at our premises - The Kenyatta International Convention Centre, Nairobi, Kenya.

As per our discussions with the Organizer, the participating companies drawn from different Countries will carry marketing collaterals that include brochures, posters and exhibition goods for display at the exhibition. We kindly request that you facilitate where possible as most of the goods displayed will be sent back to their respective countries on conclusion of the event. It is however worth noting that each exhibitor should adhere to the country's laws and ensure that all goods are legal.

The organizer has shared with us that the following companies will be participating from various countries. They will bring their exhibit material or samples to display in the Exhibition. For your reference, please find attached the names of companies that are participating at the said exhibition

Yours sincerely,

ELIJAH KORIR
SALES MANAGER
